BLUE DAVILION

WINE LIST

EXPLORE THE WORLD OF WINES WITH US AT BLUE PAVILION, WHERE ELEGANCE, REFINEMENT AND THE PURSUIT OF EXCEPTIONAL TASTE UNITE IN EVERY GLASS. CHEERS TO AN UNFORGETTABLE DINING ADVENTURE!

How are we able to serve such fine wines by the glass?
Coravin.

It's ground-breaking technology allows wine to be enjoyed by the glass whilst leaving the cork in place. A thin, hollow needle passes through the foil and cork to access the wine, safeguarding it from oxydation. Look out for the Coravin logo.

The Macallan was founded in 1824 by Alexander Reid on a plateau above the river Spey in North-East Scotland.

The Macallan's exceptional whiskies are characterised from the time spent in the very best casks, ensuring 100% natural colour.

With up to 80% of the flavour coming from sustainable oak casks, each one is individually sourced from the finest forests in two continents: America and Europe.

Extraordinary raw materials combined with traditional methods and craftsmanship are the backdrop to The Macallan's unique spirit.

We serve 50 ml as our standard pouring measure for Spirits. 25 ml measures are available upon request.

TEA

B L A C K	PU' ERH, YUNNAN	6
	The Caviar of the tea world, this tea exhibits a smooth and earthy taste with mild overtones ranging from plum to dark chocolate.	
	YUNNAN GOLDEN TIP, YUNNAN	8
	This black tea imparts the hints of savoury cocoa, black pepper, and a beautiful lingering aftertaste of baked apple.	
G R E E N	JASMINE YIN HAO LOTUS, FUJIAN	6
	This Jasmine Yin Hao Lotus is a supreme naturally fragrant green tea with stunning jasmine blossoms, a truly sublime jasmine tea enhancing from start to finish.	
	LONG JING (DRAGON WELL), ZHEJIANG	8
	Tea of the Emperor, a supreme pan-roasted green tea that is well-balanced between subtlety of umami sugariness, depth of herbaceous, and undertone of a grassy meadow.	
W H I T E	BAI MUDAN, FUJIAN	6
	As known as White Peony Tea, it gives a bright, delicate woody undertone, sweet and fruity aftertaste. Truly lifting and refreshing throughout the day.	
	SILVER NEEDLE, FUJIAN	8
	This tea gives a bright, clear golden infusion, a delicate refreshing body, with a sweet auntain water, hints of sorrel and ripening melon.	
O O L O N G	ANXI NARCISSUS, FUJIAN	6
	The prolonged oxidation and charcoal roast finish in its manufacturing process brings out a sweet, deep floral taste, and rich enough to make the tea tastes creamy.	
	DA HONG PAO, FUJIAN	9
	This full-bodied traditional rock tea with a rounded nutty chocolate taste provides an exquisite stone fruit scent. A beautiful and amazing oolong tea from the Wuyi Rock area in Fujian, China. It also has a rich history, and may only be plucked from a few select tea bushes which are thought to have lived for hundreds of years.
